

2ND ANNUAL

EXCELLENCE IN
EDUCATIONAL
SUPPORT

January 2019

The Norwalk Education Foundation and Norwalk Public Schools are pleased to introduce the second annual Excellence in Educational Support awards. The Excellence in Educational Support awards are designed to honor non-certified staff members who have earned the respect and admiration of students, teachers, administrators, co-workers and parents. Eligible personnel include all non-certified Norwalk Public Schools staff, including clerical, health and student services, foodservice, paraeducators, custodial and maintenance, transportation, and security.

We invite all teachers, staff, parents, students and community members to submit nominations for the 2019 Excellence in Educational Support program. Nominees should have demonstrated exceptional dedication and skill in his or her role, as well as efforts to strengthen the learning environment. Nominations will be presented to each School Governance Council, which will select ONE individual from each school for this year's award.

Nominees will be recognized on April 25 at the annual Excellence in Education banquet at the Shore and Country Club. Now in its third year, the Excellence in Education awards recognize Norwalk certified teachers for excellence in our schools.

NEF and NPS recognize that our schools have many talented, hard-working and dedicated employees who contribute to the success of our students in many ways.
