Teacher Mini Grants

Winter 2020

NEF is proud to announce our third year of providing teacher mini grants related to classroom innovation in all subject areas. Proposals of all types will be accepted, but special consideration will be given to proposals that deal with STEM and student emotional and social well-being. If you received a grant last year, you are still allowed to apply for a grant this year.

Funding for teacher mini grants is being provided by GE and NEF

General Information and Criteria

Awards range from \$100-\$500 (please include a detailed budget.)

- Proposals must show value, creativity and innovation
- Have a clearly defined evaluation process
- Engage students in meaningful activities

We do not fund proposals that are mainly for supplies, or classroom field trips. Your grant will be reviewed by NEF members, educators and community volunteers.

Timeline:

- Proposals are now being accepted, the deadline is 5PM on February 21st
- All submissions must be sent via email to info@norwalkeducation.org.
- Winners will be announced in mid March of 2020.
- Funds will be available by the end of March 2020.
